1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

customer of Duke Power

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I ask the the South Carolina Public Service Commission to deny Duke Power's request for a 17 percent increase in residential electricity rates. Duke Power has no reasonable need, seeing that they just posted more than \$400 million in second quarter profits. The current economic crisis only magnifies the unnecessary cost increase to struggling families.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)

Yes.
